District Library Technical Services Update – Pat Manack:

The CCLA Site visit will be January 10th, from 10:00 a.m. to 3:30 p.m. at Dale Mabry, in the Library's third floor multi-purpose room. CCLA contacts and Program Managers are asked to attend. Agendas and list of contacts were distributed.

Pat announced the initial list of members of the Advisory Committee for the library Technical Assistant program. The list includes representatives from all types of libraries, along with HCC representatives. Pat solicited volunteers for the Committee.

Committee Reports:

Web Pages Committee – Alicia and Jeneice thanked Terri for completing the Ybor web page interface. They are very pleased with it. Tammy thanked Jeremy for his work with the Plant City page interface.

New Business:

Discussions took place concerning the 2002-2003 contract.

Old Business:

Print and electronic collections have been a concern for the Cluster for several years. A fairly recent CCLA study showed that the HCC print collections were out of date. Recognizing that this is a difficult budget year, the Cluster discussed the possibility of requesting a student fee to fund Library collections – both print and non-print. The Cluster favored the idea, as long as the funding was not for operational purposes. Wendy and Terri were asked to research this idea.

Round Table: Tammy announced that Kim Nolting, Assistant to the Dean, would now be physically in the Library on a part-time basis.

The meeting was adjourned at 11:45 a.m.

Respectfully submitted,
Wendy Foley
