Program Codes

Please Consult the HCC catalog and the Academic Advising Office at the campus you will attend for program and course details. The Program Codes are indicated to the left of each program title, and should be used in completing your application for admission and for registration.

Associate in Arts Degree

Program Code:

The Associate in Arts degree is designed to transfer to senior universities. It is protected by the Articulation Agreement among all public Florida institutions of higher education. A student who is awarded an Associate in Arts degree by Hillsborough Community College has met the general education requirements for admission to the upper division public universities of the State of Florida.

Students who intend to transfer to a four-year college should follow the appropriate HCC university transfer major compatible with that college's program. The following codes should be used to indicate areas of interest prior to graduation.

PC	Program Title
209	Agriculture
205	Architecture
101	Art
206	Building Construction
100	Business Administration
112	Computer Information Systems
110	Computer Science
202	Dental
114	Elementary Education
200	Engineering
108	Justice Administration
102	Liberal Arts
113	Mass Communications
203	Medical
107	Music
116	Occupational Therapy
201	Pharmacy
210	Physical Education
117	Physical Therapy
214	Pre-Technology Education
115	Secondary Education
204	Veterinary

College Credit Certificate Programs

Program Code:

A College Credit Certificate is awarded for programs of less than two years in selected technical areas. Each of the certificate programs is designed to prepare students for entry into a particular field, or to upgrade skills in the field. After completing a certificate program, many students continue studying their specific area and complete requirements for an Associate in Science degree.

PC	Program
406	Accounting Applications
441	Business Data Processing - Option 1
442	Business Data Processing - Option 2
443	Business Data Processing - Option 3
444	Business Data Processing - Option 4
497	Diagnostic Medical Sonography Specialist - Applicant
492	Electronic Workstation Specialist
434	Emergency Medical Technician
400	Office Assistant
498	Paramedic - Applicant
496	Radiation Therapy Specialist - Applicant
429	Records Specialist

Associate in Science Degree

Program Code:

The Associate in Science degree is awarded to students who successfully complete one of the technical programs. These areas of study are designed primarily to prepare students for immediate employment. However, credits earned for some courses in these programs are acceptable to senior colleges or universities if the student should decide to continue toward a four-year degree.
